## Getting Around Toronto

Toronto boasts a convenient and efficient public transportation system, making it easy to explore the city during your stay.

### Here's a quick rundown of the main options

This network of subways, streetcars, and buses is the backbone of Toronto's public transportation.

#### Streetcars

These iconic red and white vehicles operate on dedicated lanes and **are a great way to travel shorter distances** and explore different neighborhoods.

#### Subway

Also known as **MRT (Mass Rapid Transit)**, is a fast and efficient way to travel long distances.

#### Buses

The TTC operates **an extensive network of buses** that reach various areas of the city **Fares vary depending on the distance traveled**. Presently, a single adult fare costs **CAD \$3.25** (subject to change).

If you are planning to use public transit, **be sure to purchase a [PRESTO Card](#)**, an easy-to-use reloadable payment card that lets you pay your fare on the TTC.

More information on fares, routes, and trip planning can be found on the TTC website: <https://www.ttc.ca> Taxis are readily available throughout the city.

**Fares are metered and typically start with a flag drop fee** (around CAD \$3.25). You can expect to pay around CAD \$0.70 per kilometer. It's always a good idea to ask for an estimated fare before your trip.

Taxis typically accept cash, **but some may accept credit cards with a surcharge**. It's wise to inquire about payment options before getting in.

Ride-sharing services **are also popular options**. Fares can vary depending on distance and time of day.

Looking for an eco-friendly and scenic way to explore Toronto? Bike Share Toronto offers a convenient and affordable option!

There are **over 9,000 bicycles are available across 700+ stations** scattered throughout Toronto. You can easily locate stations and check bike availability through the Bike Share Toronto website or mobile app.

**Here's a quick breakdown of pricing (subject to change):**

**Single Ride:** Variable depending on ride duration after the first 30 minutes free.

**Day Pass:** Around CAD \$12

**Memberships:**

Daily Membership: Around CAD \$8

Weekly Membership: Around CAD \$25

**Additional Information:**

**Helmets:** While helmets are not mandatory, they are highly recommended for safety. You can bring your own or rent one from select Bike Share Toronto stations.

**Unlocking Bikes:** You can unlock bikes from stations using a credit card, membership card, or a code obtained through the mobile app.

**Returning Bikes:** Simply return the bike to any Bike Share Toronto station.
