

LUPUS 2025 Abstracts

The Journal of Rheumatology Abstract Publication

All accepted abstracts of registered presenting authors are published in the Journal of Rheumatology (JRheum). Please note the below important items:

- Only abstracts of presenting authors who have finalized their registration for the LUPUS 2025 Congress as of **11 March 2025** will be included in the Journal.
- Abstracts of presenting authors who have not completed their registration **by 11 March 2025** are removed from the LUPUS 2025 scientific program.
 - It is the initially assigned presenting author's responsibility to notify the congress organizers **by 11 March 2025** in case they are unable to register and would like to change the presenter to another registered co-author from the author list. Registration records are checked only against the assigned presenting author details.
- Any changes past **11 March 2025** will not be reflected in the Journal publication.

Digital Abstract Publication (LUPUS 2025 Abstract E-Books)

Abstracts of registered presenting authors accepted into the LUPUS 2025 scientific program are published via this page 2 weeks before the congress.

**Please note that only abstracts of presenting authors*

*registered for the LUPUS 2025 congress by **11 March 2025** will be included in the LUPUS 2025 scientific program, online abstract publication, and The Journal of Rheumatology (JRheum). If you are a presenting author and have completed your registration after the above dates, please contact the congress organizers at LUPUS_abstracts@kenes.com to confirm your participation status.*

***Any changes to abstracts after 11 March 2025 will not be included in the online abstract publication.*
